I wish to buy added pension by paying a lump sum of £....., deducted from my salary.

I wish to buy added pension by paying a lump sum of £....., by cheque payment. Cheques should be made payable to 'RCPS'.

I wish to buy added pension by paying a lump sum of £....., by a bank transfer. If you choose this option we will contact you with the bank details.

If you want to buy your added pension other than through your salary, your contributions will **not** get automatic tax relief. To get tax relief you will need to tell HM Revenue and Customs about your lump sum by making a tax return for the year in which you are buying.

I understand that I must not use a lump sum from a previous pension scheme to buy added pension and that I may incur a tax charge if I increase my pension savings, in any one year, over the Annual Allowance set by HM Revenue and Customs (£40,000).
